## Check-In

---

**Check in is at 3:00pm**

**Check out is at 9:00am**

We'd really appreciate it if you could stick to these times. If you'd like to request a late check-out, please contact us through Airbnb or any of the contact details provided. However, please be informed that we may not be able to grant your request if we have a same-day check-in.

### **DIRECTIONS**

- If you're using a car, you can use Google Maps and search for Southridge GAP. This will give you the exact location of the apartment block.
- If you're using public transport, please download the Tal-Linja app. This will give you the exact bus(es) to take to reach our apartment.
- If you're a ride hailing service such as Uber, Bolt or eCabs you can provide "Southridge GAP" as your destination.

### **PARKING**

Street parking is available, and it is free. If you prefer the comfort of a garage, we also offer a garage space (for a small fee) which is interconnected with the apartment. Garage is equipped with car charging facilities.

### **THINGS TO CHECK**

Fridge: This can be switched on by holding the power button for 3 seconds.

Water Heater: This can be switched on from the corridor near the main bathroom.

## House Guide

---

### Filtered Water

The water faucet in the kitchen also provides filtered water.

### Rooms Heating and Cooling

Each room is equipped with an air-conditioning unit. A remote is made available in each room.

Both bathrooms also have a space heater. These can be switched on from outside the respective bathroom.

Kindly do not leave the units running when you leave the apartment.

### Hot Water

The water heater switch is in the corridor near the main bathroom door.

### Appliances

User guides for the appliances can be accessed by scanning the QR code below or at this: <https://a52.mt/manuals/>

## Food & Drink

---

### Supermarket

The closest supermarket is **Welbee's Supermarket** located in "Triq il-Kbira". For everyday needs there is also the **Bella Veduta** convenience store located in "Triq ta Masrija".

Both can be found on Google Maps.

### Food Delivery

Wolt and Bolt Food apps are the most popular apps used locally for food delivery.

### Restaurants

There are quite a few popular restaurants in the area. One80, Rebekah's, Munchies, Vecchia Napoli, Black Bull, Ta' Peter are just but a few.

## Transport

---

There are 3 main options for transportation on the island:

### **Public Transport**

Use the **Tal-Linja** app if you plan to use public transport. This will be the cheapest way of visiting around, however it might also be the slowest. Google Maps is also able to provide you with public transportation routes.

### **Car Hire**

You can also hire a car. Free street parking is available throughout the island.

If you prefer the comfort of a garage, we also offer a garage space (for a small fee) which is interconnected with the apartment. Garage is equipped with car charging facilities.

### **Ride Hailing**

**Uber**, **Bolt** and **eCabs** are the most popular apps used for ride hailing. We would suggest you check prices in the 3 apps before booking as most of the time one of them would have promotions running.

## Check-Out

---

**Check-out is at 9:00am**

We hope you enjoyed your stay with us. If you would like a later check-out time, please contact us and we will do our best to accommodate your request.

### **Laundry**

Don't worry about making beds as we will be washing all the bedding anyway. Please place all used towels in the main bathroom.

### **Air-conditioning**

Please make sure that all air-condition units are switched off before you leave the apartment.

### **Dishes**

We would appreciate if you can place all used dishes in the dishwasher and start it please.

### **Hot Water Heater**

Please switch off the hot water heater from the switch in the corridor near the main bathroom
